About Us

We thought to ourselves "things have got to be better around here if we want a better future."

Counsely is a platform of collaborative communities and quality freelancers, here to bring your passion project to life.

Our mission is to establish a collaborative synergy that confidently connects and unites people in a world divided by globalized demands and technology. By creating a safe environment where asking questions is encouraged and everyone is supportive of each other's professional and personal endeavors, we redefine what it means to be a freelancer. We put pride to the title.

Why Counsely?

Freedom in narrating your business services

Show off your superstar self, epic projects, and ingenious ideas on the Counsely app to boost your shot at getting hired by clients and share insights with thriving communities of the freelancing industries

Refer and receive special rewards

Share and help your colleague who's looking to start a career as a freelancer of his or her expertise. The more you refer, the more rewards eligible for you to redeem. (Refer to MyCounsely team for detailed information about this program)

Scale up your performance to unlock the next tier

Keep up a good performance, collect great feedback from clients and you will be able to move up onto the next tier with more benefits, lower commission rate and higher chance to reach enterprise projects with top-paying partners of Counsely.

Collect your Counsely Coins for paid training courses

Work hard, play hard can be redeemed daily using your Counsely Coins. Actively interacting with your communities, sharing your wins on Counsely feed and cultivating good project performance to accumulate your coins.
